Buyer and Seller agree to the following conditions of sale:

To the best of my knowledge, this animal is in good health at the time of this sale. The health guarantee requires that the buyer has 14 days from the date of purchase to have the dog checked by a licensed veterinarian. Should the veterinarian find any major health problems, not to include worms or parasites, the dog will be replaced. Buyer will choose a similar dog at once or wait until one becomes available, providing there is a letter produced from the examining veterinarian that is offered as evidence of the dog's illness and the dog is returned within the guaranteed period of 14 days.

The Breeder further guarantees for a period of 1 year this dog to be free from any inherited disease which impairs long life, good health, and full function as a pet. If such an inherited defect should occur and be diagnosed in writing by a qualified veterinary specialist, the Breeder will replace this dog with a puppy of similar quality upon the return of the dog or a refund of the purchase price at the Breeder's option.

The seller assumes no responsibility of the dog after leaving the premises. This includes medical ex-penses, landlord's disapproval, allergy to animal, disagreement of family, mortality or for any other reason. Guarantee consists of life threatening congenital or genetic defects only. Also, all puppies are sold as "pet quality" only. They are NOT guaranteed as "show" or "breeding" quality.

It has been further understood and agreed that no warranty or representation has been made with respect to sold animal except as set forth in this contract.

I have read the above and agree to abide by said conditions.
